

Talked

Online Psychology Appointments

Qualified psychologists from just \$60

Next-day appointments

Medicare rebates handled for you

Easily switch psychologists

Talked is an online therapy platform that makes it easy to find and book next-day telehealth appointments with qualified psychologists.

Connect from anywhere, with no wait times. Medicare rebated sessions start from just \$60.

What to do from here?

- 1 Ask your GP for a referral to Talked
- 2 Choose a psychologist by visiting our website talked.com.au
- 3 Meet with your psychologist over secure video sessions
